COLOR CHARTS for wall hanging showing about 50 popular roses in full natural color can be had for \$1.50. One of these will be furnished free with orders for 500 or more rose bushes.

**Prices of Patented Roses**

The price of No. 1 grade is as quoted for each individual variety. The price of the No. 1½ grade is twenty per cent less than the No. 1 grade price. The quantity rate of patented varieties is determined by the number of each variety ordered, rather than the total of all varieties. No. 2 grade patented roses are not offered. *Less than 5 of 1 kind of patent roses will be priced at the retail rate less 25%.*

Because of the additional labor that would be involved at an already extremely busy period, our No. 1½ and No. 2 grades cannot be ready for shipment until late December or early January.
